

What is unique/special about Millersneuk Primary School?

It is a friendly school where all teachers know all the pupils

Friendly family atmosphere

Responsive

It's a family

Family orientated fun environment

Mr Caldow and Mrs Hynes greeting parents and children at the gate

Friendly staff and pupils, with a close knit community spirit.

A very special school with fantastic community spirit

Friendly & Community Spirit

Cosy

Supportive

Welcoming and friendly staff

Friendly family

The atmosphere, it's so warm and friendly

There is a very strong leadership evident, which has created a good culture within the school itself and the wider school community.

A friendly school where the teachers know the families well.

I think the most unique thing about the school is that it's fairly small compared with the other local ones and everyone is very friendly and kind.

Very friendly staff

Great teachers

The friendly staff

Super school with very caring staff

The amazing staff, especially the management team - superstars the lot of you!

The way everyone knows each other very close knit

Family friendly

Friendly and open!

Friendly

I think the staff are great and excellent communication with parents!

One big family

What is unique/special about Millersneuk Primary School?

Great family spirit. Everyone very welcoming from the staff to the children.

The caring, family feel

Staff dedication, community feeling, safe and friendly environment

It is a great community and each child is valued

community spirit

feels like family. where everybody knows your name.

very friendly

Small, intimate school with family values. Staff always know everyone and feel like they always have best interests at heart.

Love millersneuk! Staff are so welcoming and friendly and nurturing:

Child centric teaching and leadership, a school full of love, support and empathy - truly special place

its a nice welcoming place . pupils achievements are celebrated

warm welcpming inclusive environment

this school is unique because of the amazing children!

active interest in communicating throughout the year

I think that what makes Millersneuk unique is the dedication of all the staff and the feeling of community, family you have in the school. I feel it is a safe and

The school has a strong emphasis on involving the children in the running of the school which helps create a sense of ownership whilst developing skills for the real world

Everyone is very welcoming and know all the children by name straight from PI.

The excellent opportunities for pupils to take on leading roles

Community feel. Warm and welcoming.

Great sense of community, love all the events and staff are fab

Community

Great community type school where most people know each other. Staff are very approachable and friendly. Great school!

Close knit school, with a nice family feel that shows so much care towards each and individual pupil

Fun, family feel and heard

A lovely friendly school. And Mr Caldwell!

Small class sizes

Supportive, caring staff and management team

Millersneuk is special because they make all of the children feel special and unique.

Community feel to the school - always made to feel welcome and lots of opportunities to see what the children have been learning and to get involved. It is a very caring school.

Caring, emotional intelligence, encouragement, lots of fun with success

Millersneuk Primary is like a big, happy family. Very supportive and also friendly and fun. We love being part of it and the community.

Millersneuk provides a family like environment for children to thrive and reach their full potential

What is unique/special about Millersneuk Primary School?

Size

Positive ethos and relationships

Caring

The wonderful community here at millersneuk makes it unique! The children seem deeply connected to the success of both the school and each other

mr caldow

Caring

Very special school because it's community oriented and warm environment that makes the children love the school

It is the school that I went to and now my children go there too!

Friendly staff

Great lunch menu

Family

It is special because it works with our communities well

friendly and supportive

Outdoor play equipment

Small town feel in a big town location

Friendly, welcoming, caring

Ethos.

Leadership team

Staff know the children and families really well

a very close community within the school where the headmaster knows every child's name

sense of community

Friendly & inclusive

The relationship all the teachers have with the kids - they all know everyone's name even if they are not in their class

Amazing teachers who really care

It has a great football pitch

Good academic achievements

Nurturing

the size of the classes

family community feel and completely inclusive and welcoming

friendly, approachable and caring staff at every level. fantastic knowledge of the children

The school has a strong sense of community

It's a community and feels close knit

Caring

What is unique/special about Millersneuk Primary School?

Approachability and community and supportive spirit of all staff

Kind

Respectful

The support and communication is excellent

i like that it is a small school and everyone is inclusive, regardless of age everyone seems to be friends and keen to help each other.

size of the classes' comunity

very friendly school!

Millersneuk is a small community focused school and communication is good between the school and parents.

supportive and very focussed on the best for the kids..... great school!

Staff are excellnt

Caring

I think Millersneuk primary school feels like a family .

smaller school and great family enviroment

The friendliness and willingness of staff to support the students and the school. It always feels so welcoming.

millersneuk, the name

Sense of community. Friendly and welcoming staff and SLT. Variety of activities for the whole school community to get involved in.

Close knit community where all pupils feel safe and develop good relationships with peers and staff alike.

wonderful staff (and kids!)

friendly

inspiring

the pupils

i love Millersneuk because, there is a family atmosphere here. everyone cares about everyone

One big family!

Sense of family and belonging

Lots of different extracurricular activities such as after school clubs like gymnastics and netball.

Sense of community. Teaching staff who know and care about their learners.

Fantastic communication and brilliant staff

I love the family atmosphere and the way the children are so well known by all staff. It's an amazing school.

Great community spirit and inclusion.

It is such a welcoming school, teachers really care.

Supportive in all areas, with a friendly welcoming feel from all staff. Communication through seesaw and class work for regular feedback is great.

Very community driven and inclusive

Every pupil is supported and encouraged depending on what their needs may be.

It's a great school because it's inclusive for parents and pupils

Millersneuk is unique and special in lots of ways. The staff and pupils are all fantastic, the teachers and staff are so warm and friendly and we have the best deputy and head teacher.

Family fun with lots of engagement children and adults

Everyone knows each other and are so friendly and supportive
